Chamber President Welcome

Hello Neighbor,
As excited and proud as I am to be president of The Grand Corridor Chamber of Commerce for 2022, I am equally excited to leave the challenging years of 2020 and 2021 behind us. Those challenges taught us the need to adapt as we still strive to be successful and serve our communities. This is proven as The Grand Corridor

Chamber of Commerce membership continues to grow.

This Chamber guide and our website www.grandchamber.org showcase businesses that are dedicated and committed to our local communities. Being a small business owner, I know the importance of supporting one another in the community. I hope you keep this guide handy and realize how valuable it is.

With the mission of the Chamber being to continue to help promote, protect, encourage and develop local business, we understand how important it is to always be involved in supporting one another in the community. This is where I hope you will do the same. Please keep this guide in your go-to spot to use with that task at hand. Do not hesitate to call upon us for an introduction, questions or whatever you may need.

Moving into 2022, the Chamber is looking forward to a strong economic recovery. As we continue to move past any hardships that the pandemic has brought, we thank you for helping to make our business community bigger and brighter than ever before. We can continue to grow and be successful, no matter what stands in our way, by supporting each other.

Thank you in advance for utilizing the Chamber to network and support your local businesses/organizations along with your continued loyalty and dedication to The Grand Corridor Chamber of Commerce.

All the best and in good health,

Katie A. Muellner
Chamber President

Elmwood Park Village President Welcome

Dear Chamber Members,

As 2021 draws to a close, we can look back and see that our lives have taken great steps forward. Our restaurants, stores, schools and churches are thriving. We are once again visiting family and other loved ones.

In Elmwood Park specifically, one of the most positive things this year was the return of the Taste of Elmwood Park. And what a grand success it was! Thousands of people from our own community as well as the entire region flocked to our renowned festival to enjoy the sights, sounds, and "tastes" of our celebration.

Additionally, this year residents continued to eagerly patronize our many restaurants. It has been great to see neighbors gathering to socialize and houses of worship resuming most of their services and social functions. We have adapted to the many challenges we faced and we are poised to lead the region in new growth.

That leadership extends to my recent election as President of the West Central Municipal Conference. This collaborative body is highly respected and wields significant influence in county and state government. It is my hope that my position at the Conference will yield greater economic prosperity for the Elmwood Park business community.

Indeed Elmwood Park and our region are on the right track. The economic train has left the station and I believe we will not turn back. I see many good economic times ahead for our community.

And speaking of trains, I am pleased to report that we are

making substantial progress on the Grand Avenue railroad underpass. New funding has been approved and we can begin to look forward to the day when lengthy train delays and dangerous crossings are a thing of the past.

I would be remiss if I failed to mention public safety. Our police and fire departments continue to work tirelessly for our collective well-being.

We recently adopted a new program where homeowners and businesses can add their own security cameras to our database. We believe that once this is well known and publicized in the community, it will serve as a tool to help us solve crimes. Even more importantly, we believe that it can act as a deterrent to crime in general. Recently, video from a home security camera was used to apprehend and arrest a suspect in a home invasion case.

It is my hope that 2022 offers you and your businesses a year of unbridled prosperity and success.

Best wishes and Happy New Year.

River Grove Mayor Welcome

Dear Friends, Neighbors and Community Partners,

Welcome to the Village of River Grove, better known as the Village of Friendly Neighbors. I am happy to report that River Grove is thriving with new development, new businesses and remains one of the most desirable communities in western Cook County to live and raise a family. Our quality

schools, safe neighborhoods and terrific location are just a few of the reasons that we remain in such high demand to live, work and conduct business.

The village board has remained committed to eliminating blighted properties, updating infrastructure and enhancing or creating green spaces and parks within our municipal boundaries. In 2022 we have committed TIF funds to building a new park in our Thatcher Woods area on the corner of Belmont and Thatcher. This park will provide recreational space for individuals of all ages who live in that area and will be an added attraction to our Thatcher Woods shopping area.

In 2022 River Grove will be the site of many infrastructure projects including a \$3 million complete resurface of our streets north of Grand and west of Thatcher, paid for through Illinois State Grants. We will also begin our alley replacement

program in 2022 which involves replacing all old asphalt alleys in disrepair with modern cement alleys which will last 40 years plus. This includes our commercial alleys that run parallel with Grand Ave., which will make our community business partners' day-to-day operations easier and encourage business growth.

We are also excited that Noah Builders is investing \$25 billion in the former Cross/Guerin property. They will be offering a mix of town homes, age restricted homes and multi-family units complete with clubhouse and amenities.

I am honored to represent our village as mayor of my hometown. I am always available to you as a resident, prospective business or community partner.

Cook County Commissioner Welcome

Dear Friends and Neighbors,

As your Cook County Commissioner and a longtime resident of Elmwood Park, I am very excited to see our commercial areas thriving and welcoming new businesses into our villages. Additionally, we are proud of our longtime small businesses that continue to benefit our communities. Many of these business owners are residents of our towns and not only provide valued services, but actively participate in our civic, religious and school functions. They are our neighbors and our friends.

When we work together as business owners, local government and residents, we continue to attract people from neighboring areas to enjoy all that Elmwood Park and River Grove have to offer. We sustain our healthy home values, our quality of life, and provide quality education to our children.

We need to support and patronize our local establishments and businesses. As a resident, I am happy to frequent our local businesses and as your Cook County Commissioner I will keep on working in the best interests of local commerce and the residents of the 9th County District.

Wishing you all a prosperous, healthy and happy 2022.

Very truly yours,

Peter N. Silvestri
